EQUAL CREDIT OPPORTUNITY ACT (ECOA) Notice

The attached ECOA notice should be provided to all applicants with the application for the Habitat homeownership program in order to communicate the right to require certain income information from applicants for the Habitat program.

Purpose and background: Because Habitat for Humanity homeownership and loan programs qualify as Special Purpose Credit Programs under the Equal Credit Opportunity Act, Habitat can request and consider certain information about income that other lenders may not be allowed to request and consider in connection with their loan programs without providing certain disclosures and options for the applicant to decline to provide that information. Although federal law allows Special Purpose Credit Programs to request and consider this information to determine eligibility for their programs, the law does not explicitly provide an exemption from the disclosure.

Accordingly, in order to avoid any confusion by Habitat applicants about their rights and obligations to provide this information, we recommend that Habitat affiliates provide the customary disclosure together with the explanation for Habitat's right to consider that information in evaluating applications for the Habitat program. Please see the attached sample ECOA notice.

Affiliate instructions: The Habitat affiliate needs to fill in the address for the FTC regional office for the region in which the affiliate is located. To find the appropriate regional office for the FTC, please check the FTC website:

Provide two copies of the ECOA notice to the applicant with the application.

Each applicant and co-applicant, if any, should sign and date the ECOA notice to acknowledge receipt, and return the signed copy to Habitat with the written application.
